17 February 1967

**MEMORANDUM FOR THE RECORD**

**SUBJECT: New Non-USIB Funding Arrangement**

25X1A9a

1. In response to [REDACTED] assertion of 15 February that OCI was anticipating non-USIB inputs to Section 4 production, Mr. Brammell called Drex Godfrey for clarification. The latter indicated that Ed Proctor agreed that inputs from Census and Labor, as well as DIA, were to be expected "next year". A call to Mr. Proctor confirmed that we should be doing preparatory work now for FY 69 inputs to OCI from Census and Labor and that [REDACTED] should be 25X1A9a advised to reflect the resulting fund increase in the FY 69-73 Program Plan.

2. Attached is a recapitulation of the proposed funding arrangement.
